

Payroll and HR Solutions for Your Business

A more human resource.™

Let ADP® help you focus on your people, not your paperwork.

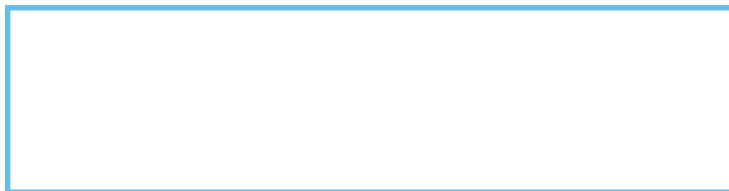

ADP knows it's not always easy to run a business. This is why we offer flexible services to help thousands of entrepreneurs like you take the stress out of payroll management. Whether you do your payroll yourself with our easy-to-use cloud-based application, or you rely on our friendly team to help you out, you'll know your people are getting paid on time and properly. Let ADP help you stay focused on growing your business.

Every year thousands of Canadian small businesses face hefty fines because of simple payroll errors. Let us help you comply with complex, ever-changing payroll rules and regulations.

Payroll solutions for your small business:

- Fast, simple, professional tools
- Deposit pay directly to employees' bank accounts
- Your employees can access their pay statements and tax forms online
- HR best practices
- Record of Employment filing
- Ask about our payroll outsourcing services
- Friendly service is just a phone call away

Whether you are opening your first business or your tenth, ADP's payroll solutions can help you focus more on what matters – growing a successful business.
