

BUSINESS CONFERENCE

The chamber mission to China is with both tour interest as well as business interest. A one-night business conference is held during the trip.

Anybody wishing to join in business conference should fill in the business inquiry form and give it to the chamber.

Every other day we hold up one business conference in Beijing (the exact date is printed on your final itinerary with the flight tickets). We have 500 passengers go to China, so on the business conference there might be 60 up to 100 business people from the U.S.A. and between 60 to 100 from China.

We invite our elected officials and Chinese government officials to address the meeting, then our chamber leaders and Chinese chamber leaders give introduction to the business people on the both sides. Then we sit down for one to one talk. There might follow by the agreement or contract sign up. The major topics Chinese business people like to ask and talk with are

- agriculture,
- manufacture,
- pharmaceutical,
- biologic medicine,
- IT industry

We have had many successful cases from our previous experience. Visit our website to learn more: www.citslinc.com

We do not charge for business consulting fee, we try to provide this valuable opportunity, but we do not promise anything.
