Great savings and discounts? Yes please.

The more you use your membership, the more you save. So much so, the cost of membership practically pays for itself.

BIG BENEFITS FOR SMALL BUSINESS.

Get exclusive access to big company benefits (for a fraction of the cost) through our **Group Chambers Plan**:

- Flexible health and dental coverage for you and your staff
- Employee assistance program
- Group RRSP program

Save on fuel for your fleet vehicles through various savings programs, including 3.5 cents per litre with **ESSO** and 2.0 cents per litre with **Irving**.

Take advantage of our savings plan with **SONA** payment systems for credit, debit, and online payments.

Save big on office supplies with a **Grand & Toy** member savings plan that includes:

- 25% off competitor pricing
- 30% off paper
- Preferred pricing on key product categories, like coffee and tech accessories

Enjoy big savings and streamlined shipping processes through our group plan with **Freightcom**, a service that finds the best shipping rate for your package every time.

Members can also look forward to savings on other key business expenses such as home and auto insurance, payroll and human resource management, direct-to-customer texting, travel planning services, professional development training, and more.

VALUE THAT ADDS UP.

Just fill out the ROI calculator on our website to see the incredible value a membership with us can bring to your business.
